

## PBA Coaches Clinic

On Sunday, November 13th Peterborough Baseball Association is hosting a coaches clinic for all rep and house league coaches at the Lion's Center from 930-1PM. Rick Johnston will be discussing a number of topics. Rick is a former Canadian National player and has been involved in baseball for over 35 years. Rick currently is involved in the Mississauga Terrier elite baseball program as well as being Director of Player Development for the Brantford Red Sox of the Inter-County Baseball League.

All Tiger coaches are expected to attend, not just head coaches but assistant coaches as well. Also, house league coaches are invited to the seminar.

There will be no cost for the seminar as the PBA is covering the cost and will provide snacks and drinks.

All coaches must send Scott Cherwaty an email stating they will be attending to [cherwaty@hotmail.com](mailto:cherwaty@hotmail.com).

There is limited spaces so please reply early. Must email by Tuesday, November 1st.

Also, please forward any topics you would like to have discussed at the seminar.

This is a great opportunity to have coaches learn some of the finer points of baseball.

Look forward to as many coaches as possible attending.
